

The Midnite Youth Theatre Company

EOI for Emerging Artists

For over 30 years Midnite has been providing opportunities to young people of Western Australia. In 2024 we continue to spotlight new and emerging artists, stories, and communities; creating exciting opportunities to learn, create and perform in a supportive environment.

What is The Lamplight Project?

The Lamplight Project is a 3 day intensive investigation of devising methodologies, for emerging artists 18-25 who want to build their skills, engage in ensemble based performance making, culminating in a one night only, devised theatre production performed at the Subiaco Arts Centre.

Led by WA artist and director, Mark Storen and supported by the Midnite team and industry professionals, The Lamplight Project participants will strive to spotlight issues of interest and concern for young people.

Who is it for?

The Lamplight Project is open to any young person in Perth, 18 to 25yrs.
Don't miss this exciting opportunity!
